Surrounded by Saints

From this Sunday, the Feast of Christ the King, into the Advent season, the sacred space of Saint Patrick's Church will be enhanced with original paintings of the saints in an exhibit entitled "Saints (Canonized and Otherwise)." Created by our parishioner, Nancy Marek Cote, an award winning, nationally recognized artist, these works capture the unique relationship between God and each of these holy women and men and remind us of our own relationship with the Divine. Quoting from her website, (www.mareksaints.com): *Nancy's hope is that this exhibit will inspire women, men, and children of all ages and backgrounds to a heightened appreciation of the beauty, courage, and passion that led these saints on their own faith journeys.*

2021 Christmas Bazaar

While final figures of profit and expense are still being tabulated, we can safely report that the 2021 Christmas Bazaar and Craft Fair was an overwhelming success! Many, many thanks to all who worked so hard leading up to and on the day of the bazaar, all who donated in any way, and all who supported this festive event. There was great energy (and not only from the threatening tornadic weather!) and enthusiasm throughout the day. Many people were impressed by the great sense of welcome they felt and commented on the quality and quantity of items offered. "This is the best fair in town!" was heard more than a few times. One of the highlights of the bazaar was the cooperation shown between our three parish communities as parishioners from both St. Louis de France and St. Thomas More donated items and came to assist as workers. A more detailed report will be presented in the coming weeks. Again, thank you to all who worked so hard to make this year's Christmas Bazaar and Craft Fair so successful!
